Chapter 1

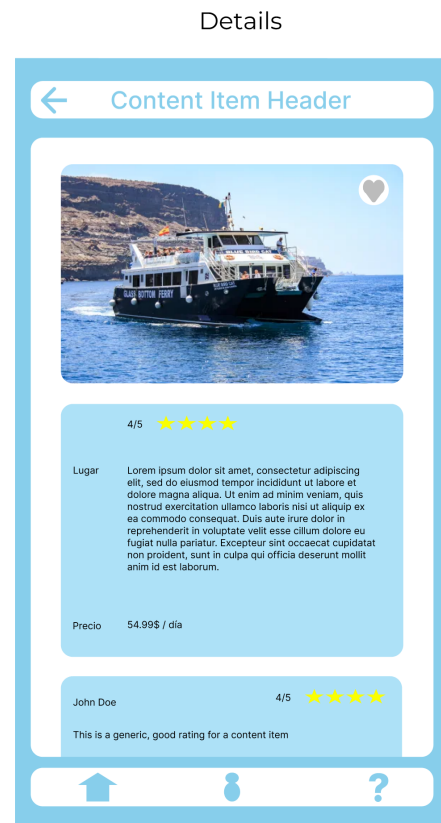

Figma Design

1.1 Description

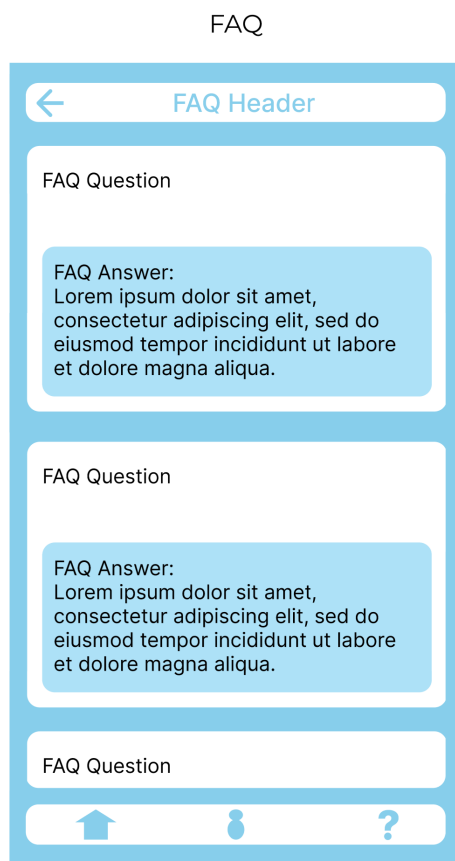

1.2 Design Prototype

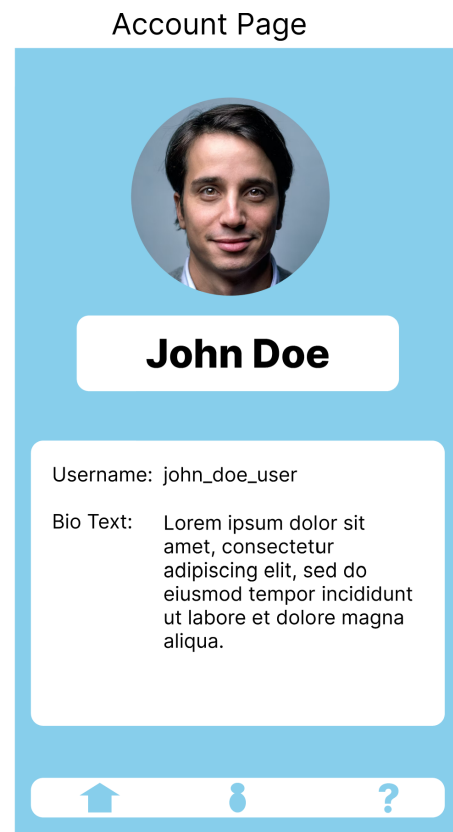

(a) Design for the home page of our app

(b) Design for the content item details page of our app

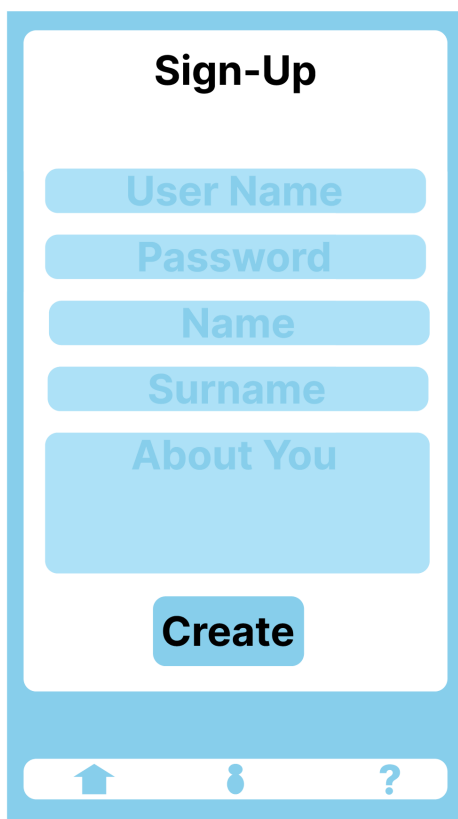

(a) Design for the FAQ page of our app

(b) Design for the account page of our app

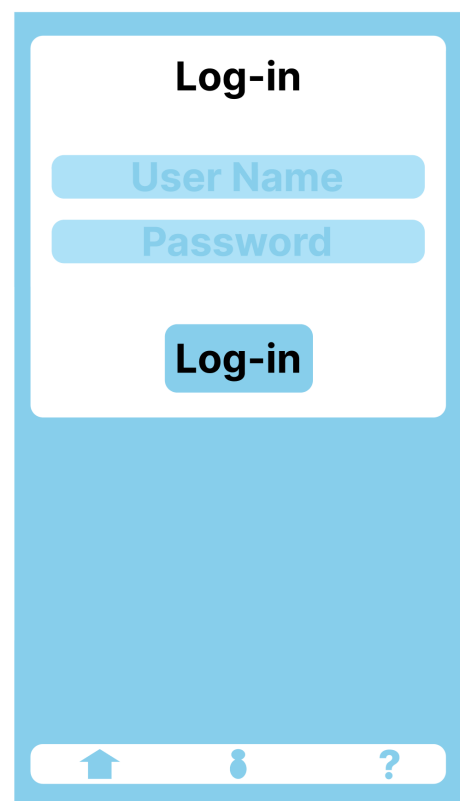

Sign-up page

The sign-up page design features a light blue background. At the top, the title "Sign-Up" is centered in bold black text. Below the title, there are five input fields, each with a light blue background and rounded corners, containing the placeholder text "User Name", "Password", "Name", "Surname", and "About You" in light blue. At the bottom of the form area, there is a "Create" button with a light blue background and rounded corners. At the very bottom of the page, there is a white bar with a light blue background containing three icons: a house, a person, and a question mark.

(a) Design for the sign-up page of our app

log-in page

The log-in page design features a light blue background. At the top, the title "Log-in" is centered in bold black text. Below the title, there are two input fields, each with a light blue background and rounded corners, containing the placeholder text "User Name" and "Password" in light blue. Below the input fields, there is a "Log-in" button with a light blue background and rounded corners. At the very bottom of the page, there is a white bar with a light blue background containing three icons: a house, a person, and a question mark.
